PERFORMANCE ENHANCEMENT REFORM ACT

The SPEAKER pro tempore. Pursuant to clause 8 of rule XX, the unfinished business is the vote on the motion to suspend the rules and pass the bill (H.R. 2617) to amend section 1115 of title 31, United States Code, to amend the description of how performance goals are achieved, and for other purposes, as amended, on which the yeas and nays were ordered.

The Clerk read the title of the bill.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from the District of Columbia (Ms. NORTON) that the House

suspend the rules and pass the bill, as amended.

The vote was taken by electronic device, and there were—yeas 414, nays 10, not voting 7, as follows:

[Roll No. 304]

REMOVAL OF NAME OF MEMBER AS COSPONSOR OF H.J. RES. 6

Mr. FERGUSON. Mr. Speaker, I hereby remove my name as cosponsor of H.J. Res. 6.

The SPEAKER pro tempore. The gentleman's request is accepted.

INVESTING IN GREEN ENERGY

(Ms. PORTER asked and was given permission to address the House for 1 minute and to revise and extend her remarks.)

Ms. PORTER. Madam Speaker, the climate crisis is a ticking time bomb. The country that figures out how to defuse it will get huge returns on their investments.

That is why our global competitor nations are investing in green energy. They know that the economy that learns how to manufacture in the cleanest way possible will secure thousands of jobs for its workers. These are jobs in manufacturing and also in research, engineering, and education.

In short, the country that best understands green energy today will have the strongest economy tomorrow. That can and should be the United States.

I am proud to represent the scientists at the University of California Irvine who are doing cutting-edge research on fuel cell energy storage, energy conversion, and more. We have to support the work of their peers.

To have a strong, stable, and globally competitive economy, we need green energy. For Orange County, for the United States, and for our planet, we cannot continue to rely on the technology of yesterday.

CELEBRATING OKEFENOKEE SWAMP PARK'S 75TH ANNIVERSARY

(Mr. CARTER of Georgia asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. CARTER of Georgia. Madam Speaker, I rise today to celebrate the 75th anniversary of the Okefenokee Swamp Park.

The Okefenokee Swamp Park opened their doors 75 years ago. Since then, people from across the world have visited one of Georgia's most desirable destinations. Each year, over 500,000 people visit the Okefenokee National Wildlife Refuge.

As one of the largest intact freshwater wetlands in North America, the Okefenokee is home to various threatened and endangered species. More than 600 plant species have been identified at the Okefenokee.

This anniversary is not only a celebration of 75 years of preserving history and wildlife but also as a beacon of what is to come in the next 75 years.

I, along with the First District of Georgia, thank the staff at Okefenokee Swamp Park for their stewardship of this beautiful park. I am proud to represent parts of the Okefenokee, and I am excited for the future.

RECOGNIZING KELLER, TEXAS' MOST FAMILY-FRIENDLY CITY

(Ms. VAN DUYNE asked and was given permission to address the House for 1 minute.)

Ms. VAN DUYNE. Madam Speaker, I rise today to recognize the efforts of the city of Keller in becoming the most family-friendly city in the State of Texas.

This community of over 45,000 residents sits in the heart of the Dallas-Fort Worth metroplex and prides itself on pairing big city comforts with small town charm.

Its history is rooted in the perseverance of frontier settlers in the golden age of railroads. That spirit lives on today in a community of incredible entrepreneurs and small business owners, beautiful parks and trails, excellent schools, and award-winning city facilities and programs.

Often listed among the safest and best places to live in America, this city strives to serve its citizens at every stage of life, from young families buying their first homes to empty nesters who could not imagine living anywhere else.

In that effort, Keller City Council recognizes the importance of fighting on behalf of taxpayers, attracting exceptional economic development, prioritizing the community's roads and sidewalks, and ensuring public safety by supporting its unparalleled first responders.

Madam Speaker, I congratulate the city of Keller and their shared vision of becoming Texas' most family-friendly city. I look forward to seeing the incredible progress that this community will see working together.

REPUBLICAN IDEAS ON BORDER SECURITY

(Mr. LAMALFA asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. LAMALFA. Madam Speaker, the other day, we saw the press secretary for President Biden, Jen Psaki. She was complaining and tired of Republicans talking about the border and not having any ideas.

Well, we have ideas. They don't always get publicized. Here are some of them right here: enforce our laws; enforce our laws as written; complete the border fence and complete all border construction; the remain in Mexico policy, why don't we reinstate that? It worked pretty well without people rushing the border before.

Require negative COVID tests before entering our country. Wouldn't that be something since we are telling all of our citizens we have to do the same to go to a simple thing like a restaurant or a ballpark?

Maybe we could shut off the green light inviting people and sending people the message, incentivizing the dangerous trek to come to America.

Lastly, stop the benefits from hard-working U.S. taxpayers. Stop promising amnesty, tax remittances, healthcare, and sanctuary cities to illegal immigrants.

These are the messages Republicans have been conveying all along, so I invite Jen Psaki to listen up.
